Rt: 521 Respectfully subd: with D. notes
At present the A.R.P Controller has only 6 Lorries and it is presumed that the drivers themselves are mechanics also. It is therefore a point for consideration as to whether there is necessity for having a costly mechanic on Rs 100 to start with. If a mechanic on Rs 100 is not already apptd, it may be considered that one on Rs 60 or ~~80~~ 70 may be apptd in the interest of economy.

SIR, A.R.P. - VEHICLES.

I have the honour to state that the P.W.D. lorries received for A.R.P. use seem to require a number of minor repairs to bring them up to the point of efficient working. More lorries are expected to be received. It is also necessary to fit up and test the working of centrifugal pumps to the 2 water lorries. All these vehicles have to be kept in a running condition. It is therefore necessary to have a skilled mechanic to be in charge of these vehicles and to act as Depot Superintendent for the A.R.P. Depot to be started in the G.R.S. Garage.

I request sanction to appoint a skilled foreman on a pay of Rs.100/- per month for a period of 3 months.

Subject:- VEHICLES FOR A.R.P. USE.

With reference to your letter No. J2-ARP.1305/41-42 dated 20-3-42, I have the honour to state that as stated already 16 lorries, 6 buses and 24 cars are required for A.R.P. use in Bangalore City. Out of these, I have secured 6 lorries and 2 Vans from Government Departments and one more Van is expected to be received. Out of the balance of 10 lorries and 24 cars, 5 lorries, 4 buses and 4 cars are required immediately to supplement those on hand to equip three A.R.P. Depots to be established in the City and these may kindly be arranged to be made available early. It is suggested that instead of hiring out vehicles at Rs.15/- per day, it may be cheaper to purchase them outright as it is not possible to estimate the period for which these vehicles have to be retained. Such vehicles may perhaps be available locally at reasonable prices in view of further restrictions under petrol rationing.

The favour of an early reply is requested.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Vehicles for A.R.P.use.

With reference to your letter No.2866/W., dated the 5th May 1942, I have the honour to enclose a copy of the proceedings drawn up in consultation with the District Magistrate, the ARP Controller and the Municipal Commissioner.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector General of Police.

Copy of the proceedings.-

The following are found to be the minimum requirements for the various services.-

A.R.P.Controller.-

One lorry to be bought immediately for the use of the trailer pump which Messrs.Simpson & Co., will be supplying shortly. The A.R.P.Controller intends to organize four fire parties consisting of one trailer pump mentioned above and three lorries fitted with fire pumps. These three lorries have already been received from certain Government Departments and have been fitted with fire pumps. The ARP Controller requires immediately three buses and three lorries for casualty and demolition squads and one more lorry immediately for another trailer pump. On an emergency arising, he requires three buses and four lorries plus three lorries to be kept in reserve. His total requirements will therefore be one lorry to be bought immediately and six buses and eleven lorries to be obtained by requisitioning.

Senior Surgeon.-

In an emergency for evacuating sitting cases from hospitals, the Senior Surgeon requires three buses of City Bus type.

District Superintendent of Police, Bangalore City.-

His requirements are eight buses which will be used for shifting the Police Force from place to place in an emergency.

Civil Defence.-

Four buses and fifteen lorries are required.

The Civil Defence Commissioner has agreed to find the above mentioned number of vehicles. It was agreed that at the next day light air raid practice, a practice would also be held to see how quickly the

the vehicles earmarked as above could be assembled.

Abstract.

A.R.P.Controller	One lorry to be bought immediately.	
	To be obtained by requisitioning.	
A.R.P.Controller	6 buses	11 lorries
Senior Surgeon	3 buses	..
D.S.P.Bangalore City	8 buses	..

CHIEF SECRETARY
22 MAY 1942
GT. OF MYSORE

SIR,

With reference to your letter No.2995/W dated 14th May, 1942 requesting me to discuss the matter of sparing one of the lorries of Department of Public Health, further with the Director of Public Health, I have the honour to state that the Special A.R.P. Officer states that he discussed it with the Director. The lorry will not be available in an emergency as it is not always found in Bangalore, but may be in any part of the State. As a lorry is required urgently for hauling a Trailer Pump which is expected to be delivered in a day or two, it was decided at a meeting with the A.R.P. Controller, Bangalore and the District Magistrate, Bangalore, that in case this lorry was not available from the Department of Public Health, it would be necessary to purchase one and that the District Magistrate may arrange to send with the Brake Inspector such of the lorries as he could secure for sale for the A.R.P. Controller to select one among them. In the result if the Director of Public Health is unable to transfer the lorry immediately to the A.R.P. Controller or if he is unable to keep the lorry in Bangalore alone, so that it may be available to the A.R.P. Controller in an emergency, there would be no other alternative but to buy a lorry. The Director of Public Health may therefore be requested either to hand over the lorry or keep it only in Bangalore, as otherwise the cost of purchasing a lorry cannot be avoided.

GOVT. OF MYSORE.

The Chief Secretary to the Government of

PURCHASE OF STATION WAGON Mys.9494.

SIR,

I have the honour to state that the purchase of a motor vehicle is found necessary for the transport of mobile A.R.P. parties and trailer pumps during an emergency.

One Mr. M.Abdul Lateef, Timber Merchant, Narasimharaja Road, Bangalore City, owns a Station Wagon registered as Mys.9494. This is a 1938 model, 6 cylinder "Chevrolet" which is found to be in very good condition and most suitable for A.R.P. work. Mr. Lateef is agreeable to sell the vehicle for Rs.1,600/- and this price appears to me to be reasonable considering the sound condition of the Car.

The vehicle is registered in the name of Mr. Lateef.

I request therefore, sanction of Government very early to purchase this vehicle, the cost being met out of the lumpsum grant allotted to A.R.P.

I have the honour to be,
Sir,
Your most obedient servant,

28/5 INSPECTOR GENERAL OF POLICE.

SUBJECT:-- Drivers and Cleaners for A.R.P. Vehicles.

--

I have the honour to state that 10 motor Vehicles have been secured for A.R.P. work and there are only 6 Drivers and 3 Cleaners to man them. It is very necessary that each vehicle should have a Driver and I request that sanction of Government may be kindly obtained for appointing four more Drivers on Rs 30/- per mensem each, and two more Cleaners on Rs 14/- per mensem each.

2. In connection with the Combined practice held on the 8th & 9th August 1942, 4 Drivers and 2 Cleaners were appointed in anticipation of sanction, to meet the urgency.

3. I solicit the favour of early orders in the matter.

4. I may add that out of the Six Drivers for which, sanction of Government has already been obtained, the pay of the two Drivers attached to the Propaganda Van and Station Wagon, is being met out of contingencies of the A.R.P. Office. The pay of these two Drivers cannot therefore be drawn in the Establishment Bills.

vide Rep. A.BH/

This

This procedure entails delay as their pay has to be drawn and disbursed only after the encashment of the D.C. bills. I request that sanction of Government may also be obtained to claim the pay of these two Drivers also on Establishment Pay Bills, as in the case of the other four Drivers.

Sir,

I have the honour to enclose for kind information of Government, a copy of the report of damage done to one of the A.R.P. fire-fighting lorries.

Report dated 18-8-1942 of the Store-keeper, A.R.P. Office, Bangalore City.

I beg to state that on 17-8-1942 at 3 P.M., I got a telephone message from the Headquarters Assistant to the Inspector General of Police to send the A.R.P. Fire Fighter to Chickpet to put out fire. I sent the fire-fighter No.Mys.9370 with its driver and cleaner to the spot at 3-10 P.M. At about 5-30, I came to know that the lorry was damaged by throwing big stones and the driver and the cleaner hurt. The details of damage are as follows:-

Rubber lined canvass hose pipe was cut - front screen glass was completely broken - head lights smashed to pieces - mudguards damaged along with the radiator - body is slightly damaged = armoured house pipe is jammed and the danger light is also damaged.

On enquiring, it is ascertained that a mob of people collected near the Mysore Bank Post Office and began to throw stones at the lorry while the lorry ~~lorry~~ was working. Somehow, the driver and the cleaner managed to put out the fire and returned to the Headquarters with injuries.

It will be more useful, if it is repaired at an early date to meet the emergencies.

Subject:- A.R.P. VEHICLES -APPOINTEMENT OF DRIVERS TO:

SIR,

I have the honour to state that sanction of Government for the appointment of 15 Motor Drivers to man the A.R.P.vehicles was obtained under the marginally* noted Government Orders when the A.R.P. had 13 vehicles only, of which two drivers were treated as reserves.

The A.R.P. have now 16 vehicles, and it is found necessary to appoint three more drivers, two drivers being treated as reserves for taking the place of those who may be disabled to attend to their work. These spare drivers assist the Mechanic in attending to the minor repairs of the vehicles which are old and need constant attention to keep them in mechanically sound condition.

I request that sanction of Government may kindly be obtained for the appointment of 3 more drivers on a pay of Rs.30/- per mensem. In view of the urgency to man the vehicles, I have permitted the A.R.P. Officer to appoint 3 drivers, which may kindly be approved. The spare drivers will be kept busy in attending to the repairs of the vehicles in the Department.
